WELCOME

TO

*and to old-fashioned **Good Times.** GRADY'S has been created upon an old tradition of quality and value. We remember the good old days when food preparation and service knew no shortcuts; when only fresh, natural ingredients were used in consistently preparing the highest quality food.*

We have committed ourselves to creating and preserving a restaurant that captures these old principles in a fresh young way. This is why we:

- Feature premium liquors as our well brands
- Make all our soups and desserts from scratch daily
- Prepare our Tater Twirls using only Idaho potatoes
- Grind our coffee in house
- Use Haagen-Dazs ice cream in our ice cream drinks
- Serve beer in frosty mugs
- Bake our butter croissants fresh every day
- Grind fresh chuck for our burgers
- Trim and cut our steaks in house
- Broil over mesquite wood
- Make our own salad dressings
- Use fresh squeezed juices in our drinks
- Slowly roast our prime rib in special ovens

At GRADY'S, we are dedicated to giving our guests old-fashioned good food and honest value.

*We hope you will come savor the **Good Times** at GRADY'S anytime.*
